## ABOUT ME

Motivated engineering student with a strong foundation in web and Android development, and sound knowledge of Flutter and networking concepts. Skilled in problem-solving and passionate about applying technology to create efficient and practical solutions. Dedicated to continuous learning and eager to contribute effectively to innovative projects in a collaborative environment.

## EDUCATION

**B.Tech, Information Technology** Completed May 2026
**Government Engineering College Sreekrishnapuram, Palakkad**
- ✓ *CGPA*: 8.43

**Higher Secondary Education (Plus Two)** Completed March 2022
**Government Moyan MGHSS,Palakkad**
- ✓ *Percentage*: 97%

## TECHNICAL SKILLS

- ✓ **Programming Languages:** C, Java, Python, Dart
- ✓ **Frameworks & Development:** Flutter, Flask, HTML, CSS
- ✓ **Databases :** MySQL, Hive
- ✓ **Networking & Tools:** Nmap, Wireshark

## PROJECTS

**Text-Based PDF Compression Algorithm**
- ✓ Developed a custom Text-Based PDF compression algorithm using MessagePack and LZMA, achieving up to 90–95% reduction in file size while preserving text integrity.
- ✓ Developed a desktop viewer using PyQt and integrated a Flask-based web interface for file upload and decompression.

**Distributed Swarm Robotic System for Waste Detection and Collection**
- ✓ Developed a scalable swarm robotic system for autonomous waste detection and collection using decentralized peer-to-peer communication.
- ✓ Achieved efficient, scalable, and fault-tolerant operation through dynamic task allocation, area partitioning, and real-time coordination.

## CERTIFICATIONS

- ✓ Elite plus Silver in NPTEL Online Course on Ethical Hacking - August 2024

## ACHIEVEMENTS

- ✓ NSS Volunteer – Actively contributed to community and college-level service initiatives.
- ✓ KTU Kho-Kho Team Member – Represented the university in inter-university competition.
